Sir:

The references cited on attached form PTO/SB/08 are being called to the attention of the Examiner. Copies of the references, in compliance with the requirements of 37 CFR §1.98(a)(2), are enclosed. It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

These references were included in the International Search Report, which was submitted with the September 29, 2005 IDS. However, a handwritten note on the IDS, as retrieved from PAIR, indicates that the attached references were not received.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no
